Outstanding Safety Apprenticeship Career Opportunity

Are you a young individual eager to kickstart a rewarding career in the field of fire safety and health and safety compliance?

Look no further than DDS International, an internationally recognised organisation that is seeking motivated apprentices to join their team, based from our Office in Sittingbourne, Kent.

At DDS International, we have a proven track record of fostering talent and promoting career growth within the company.

Just take Sam for example...

Starting as an apprentice at the age of 19 (in 2013), Sam was unsure of his career path.

But after deciding on a career with DDS, he soon found himself learning about safety management, gaining professional qualifications, and supporting our customers.

Today (11 years later) Sam is our International Safety Manager, leading a team of international safety consultants.

At DDS International, apprentices like Sam can learn from industry experts, gain hands-on experience, and work on impactful projects that contribute to the safety and well-being of people worldwide.

If you're ready to embark on a fulfilling and rewarding career in fire safety and health and safety compliance, apply for an apprenticeship with DDS International today.

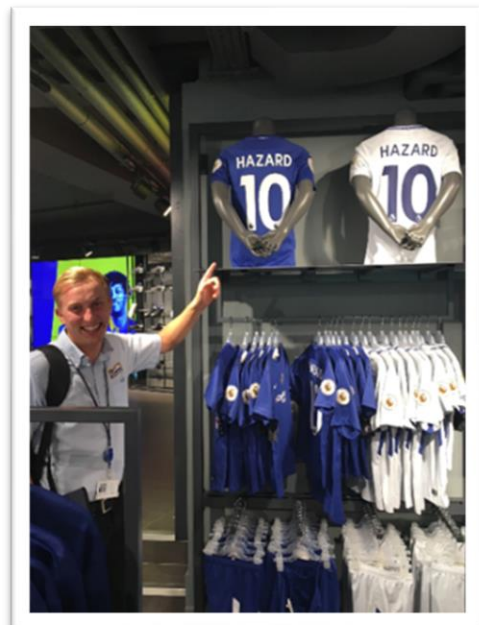

Don't miss this chance to take the first step towards a promising future filled with growth and success.

We look forward to welcoming you to our team in Sittingbourne, Kent!

Aged 19 (in 2013) Sam wasn't sure what he wanted to do, so he didn't really have a "Scooby Doo" and was on a career "Mystery Tour"

Soon Sam was a Safety expert (well, nearly) and was hazard spotting in more ways than one "No Sam that's not a Safety Hazard!"
